Z-Brane Protection Systems														
								12 VDC	24 VDC					
ZB-1	One membrane							○	○					13.500,00
ZB-2	Two membranes							○	○					19.900,00
ZB-3	Three membranes							○	○					25.800,00
Z-Guard Protection System														
								12 VDC	24 VDC					
ZG-RP	190 liter/minute							○	○					13.600,00
ZG-RPC-7	26 liter/minute					✓		○	○					16.000,00
ZG-RPC-16	60 liter/minute					✓		○	○					16.900,00
ZG-R	190 liter/minute													8.600,00
ZG-RC-7	26 liter/minute					✓								12.100,00
ZG-RC-16	60 liter/minute					✓								12.900,00
Optional Accessories														
KIT-FLT-PLKT	Plankton Filter Kit with Cleanable Mesh Screen													1.950,00
KIT-FLT-OWS	Oil/Water Separator Filter Kit (for one pre-filter systems, includes housing and one element)													990,00
KIT-FLT-OWS2	Oil/Water Separator Filter Kit (for two pre-filter systems, includes two elements)													990,00
KIT-FLT-CC	Charcoal Filter Kit for Product Water (removes odor) (includes one charcoal filter element)													790,00
KIT-FLT-PFK	20 Micron Pre-Filtration Kit (includes six 20 micron filter elements)													1.200,00
KIT-BCK-A	Basic Cruise Kit A (includes six 5 micron filter elements, two SC-1 storage chemical)													850,00
KIT-BCK-B	Basic Cruise Kit B (includes three 5 micron filters, three 20 micron filters, two SC-1)													850,00
KIT-BCK-C	Basic Cruise Kit C, for Catalina and Newport systems													1.150,00
KIT-OFFSH	Offshore Kit (includes seals & o-rings, composite valve sleeves, field tools, overhaul instructions)													3.400,00
KIT-UV	UV Sterilizer for Product water up to 5,7 liter per minute (please specify 12 or 24VDC)													4.100,00
KIT-MPC	MPC-3000 Control System with Remote Display Panel and 15 meter Control Cable													18.000,00
KIT-MPC-RMPA	Additional Control Display Panel for MPC-3000 Control System (includes 15 meter Control Cable)													4.400,00
KIT-INT-50C	High Capacity Intake Module (please specify 12 or 24VDC)													6.500,00
